Highlights from the Board

April 2023

March 16, 2023 Virtual Meeting

PRESIDENT

Lander not present; Trimble ran the meeting.

TREASURER

Subject of the cost vs. funds received @ Cefalo's is large, we are about \$2k under in receipts vs. cost for Cefalo's.

PROGRAMS

Trimble said we had a great turn out earlier this week (Tuesday, 3/14) @ the UPMC Mercy Pavilion. There was a lot of interior work to see.

APRIL: Tuesday, 4/11 – we will tour PPG Labs in Allison Park. PPG might supply us with a light lunch; if so, then we will not need to find another location for lunch.

MAY: Still open.

Trimble has received many suggestions and will review them to see if we can get one of them scheduled for May.

Bartley has been trying to get into the glass plant but no luck so far.

Discussed possibly visiting Lampus again for a tour – it has proven to be a good turnout. Last tour was approximately 10 years ago.

JUNE: Trimble will schedule Top Golf

After June, we will be done with season.

HOLIDAY GALA

With Geist retiring, we are looking for someone to take this over – Jim said there is some interest.

MEMBERSHIP

Discussed ways to boost membership.

Thornton suggested bringing in an economist to discuss, "where is the economy going".

Geist suggested something that promotes networking, being in front of professional members should create interest.

PUBLICITY

Schuster reported that Craig is still working on getting the new logo uploaded to the website.

NEW BUSINESS

Brown asked if everyone on the call was open to doing their same positions for next year. Everyone said, "yes".

Board of Directors members up for reelection are Schuster & Henze.
