

## Tour of East Coast Metals

**MAY 9, 2023**

**Triadelphia, WV**

**Noon – 2:00 PM**

In our continual effort to educate the AEC community about materials, we have a tour planned for East Coast Metals in Triadelphia, WV. East Coast Metal Systems is a full-service fabricator and installer of engineered architectural metal and exterior envelope systems. Attendees will see how metal elements are made from composite panels and metal roofs to ornamental metals and architectural flashing & accessories.

11:45 - 12:00	Arrival
12:00 - 12:30	Lunch & Presentation
12:30 - 1:30	Plant tour
1:30 - 2:00	Closing remarks / questions

**May 9, 2023**

**12:30 pm to 2:00 pm**

**East Coast Metals, 625 Distribution Road, Triadelphia, WV 26059**

*(same exit off of I-70 as Cabela's)*

*Carpools and/or a shuttle bus will be coordinated to minimize travel to this plant. More information after you register.*

**REGISTRATION:** <http://csipittsburgh.org/>

Please register **by Friday, May 5.**
